

# Behaviour Policy

**We aim to provide a safe and stimulating environment for all and we would encourage common sense rather than an exhaustive list of do's and don'ts. However, in the interest of clarity...**

- **All children are expected to respect their teachers and their peers.**
- **All children are expected to arrive on time and in their best behaviour.**
- **Unruly behaviour and damage to property will not be tolerated.**
- **Parents are welcome to wait in the church hall during the lesson and we would be grateful if they would encourage other visitors to respect the fact that there are ongoing lessons in the adjacent classroom.**
